Let's talk about nice things!
Handmade, low impact, local, fair and reusable.
The nice things we all want.

For the upcoming edition of NTM we're teaming up with Klabb Hawaj, a new venue in San Gwann that's been taking the local event scene by storm!

Throughout the past months, Shawn and his team hosted a series of delicious initiatives, starting with a sustainable fashion show, film screenings to workshops, concerts and super fun parties.

Creating positive impact and bringing people together is what NTM is made of! This is why we're ecstatic to present to you Nice Things Market Klabb Hawaj Edition and invite you - the makers and Vintage lovers - to jump on board!
